# **ISO 9001:2015 Quality Management System Lead Auditor**

***Master the Audit of Quality Management Systems (QMS) based on ISO 90012015***

## **Why should you attend?**

The ISO 9001 Lead Auditor training enables you to develop the necessary expertise to perform a Quality Management System (QMS) audit by applying widely recognized audit principles, procedures and techniques. During this training course, you will acquire the knowledge and skills to plan and carry out internal and external audits in compliance with ISO 19011 and the certification process according to ISO/IEC 17021-1.

Based on practical exercises, you will be able to master the audit techniques and become competent to manage an audit program, audit team, communication with customers, and conflict resolution.

After acquiring the necessary expertise to perform this audit, you can sit for the exam and apply for a “QCS Certified ISO 9001 Lead Auditor” credential.

By holding a QCS Lead Auditor Certificate, you will demonstrate that you have the capabilities and competencies to audit organizations based on best practices.

## **Certification**

All of our courses are accredited by the “CPD Accreditation Office UK” as conforming to universally accepted Continuing Professional Development (CPD) guidelines. On successful completion of the course you will receive a quality assured certificate. This can be used to provide evidence for compliance and audit.

## **Course agenda**

### **DURATION: 5 DAYS**

Day 1: Introduction to Quality Management Systems (QMS) and ISO 9001

Day 2: Audit principles, preparation and launching of an audit

Day 3: On-site audit activities

Day 4: Closing the audit

Day 5: Certification Exam
